

COVID GUIDELINES

The event Covid Officer is Keith Charlton

First and foremost, if you and/or anyone you live with has, in the preceding 10 days experienced symptoms of coronavirus:

- A high temperature
- A new, continuous cough
- A loss of or change to sense of taste or smell

then you should not attend the event.

If you have been told to self-isolate then you should not attend the event.

EVERYONE ATTENDING THE EVENT IN WHATEVER CAPACITY NEEDS TO COMPLETE THE FORM ON THE LINK BELOW AND ATTACH A PHOTOGRAPH OF A NEGATIVE LATERAL FLOW TEST CARRIED OUT WITHIN 48 HOURS OF ENTRY TO THE VENUE.

https://britishtriathlon.formstack.com/forms/hetton_preevent_health_declaration

In the event that you are unfortunate enough to have any of the above happen to you then there are clear guidelines in place to allow you to place an appeal to be able to continue with the Super Series in the fairest way possible. You should discuss this with your Regional Academy Lead.

Hetton Lyons Country Park is a public venue and will be open to members of the public during the event. We need to all play our parts to minimise the risks to yourselves, your families and our volunteers and officials by taking some sensible precautions. Whilst we cannot strictly control the amount of people on the venue, we can ask you to consider only attending with one other person.

All athletes should wear a facemask at registration and when setting up transition. Once away from transition, you may remove it for your warm-up. It is essential that you adhere to your specific times and the flow for registration and transition entry and exit. Bring your own hand sanitiser and use it regularly. These times are well posted and are intended to reduce the contact between athletes.

We would respectfully request that, wherever possible, you remain within small groups between events and wear your masks. Spectators should try not to gather in large groups. The venue is spacious with enough grass areas to maintain good social distancing throughout the event. Please pass on this information to your parents or anyone else who is accompanying you to the event.

After your last race of the day, you must remove your own timing chip and place it in the receptacle provided.

When entering the centre to use the loos, you must wear a mask and follow the directional guides. This is a Venue Rule. They have a strict 3 people in the male or females loos at any one time and we will have someone there throughout the day to manage this. There will also be 4 portaloos on site.

If you approach any of the vendors or the on-site cafe, then please wear a mask.
